Dear Client:

RE: Athena Diagnostics, Inc, Licensures, Accreditations, and Testing Procedures

The laboratory staff of Athena Diagnostics maintains all applicable permits, licensures and certifications which are located at [www.athenadiagnostics.com](http://www.athenadiagnostics.com) under the heading “About Athena” (Accreditations and Licensures) for your convenience.

We follow standardized laboratory protocols as well as our own strict guidelines and procedures to ensure the best quality results and a safe environment for all of our employees. All samples received are handled with focused attention to ensure that test are completed promptly; generating results that are accurate, reliable, thorough, and as definitive as current technology allows.

I hope this letter along with the link provides you with the information you need. If you have any further questions please feel free to contact us through Client Services.

For technical questions regarding sample requirements, pricing, patient test results, and other general procedures please contact the Client Services Department at 800-394-4493.

Sincerely,

A handwritten signature in black ink that reads 'Sat Dev Batish'.

Sat Dev Batish, PhD, FACMG  
Sr. Laboratory Director
